Players must be 18 years of age or 15 years of age with parent permission. Players may only be on one roster in coed divisions. Further, a man **can** play in the Men's division and in one coed division. A man or woman **cannot** play on two coed teams regardless if they are in different divisions. Once a player is on a roster, they are only eligible to play for that team; they cannot switch to another team at any point in the season.

Playoffs:

Top 4 teams will make playoffs. All rostered players must play a **minimum of 4 games** in order to be eligible to participate in playoffs. All playoff games will be 65 minutes or 7 innings, whichever comes first, with the 10 run rule in effect. In the event of a Tie: 1 inning only will be played with the international tie breaker rule. The last batter out will start at second base. **No pick-up players will be allowed for playoffs.** The Championship game will be 7 innings regardless of time, with the ten run rule in effect. Players must have a valid state ID prepared to show prior to game time (No ID no play)

Divisions

Coed divisions will be split up into competitive (comp) and recreational (rec). In the event that several teams register for either division, that division can be split up at the discretion of the Recreation Supervisor.

At the half way point in the season (or sooner if deemed necessary) divisions will be evaluated, if there is a team(s) who needs to move up or down that is up to the discretion of Recreation Supervisor.

Staff

Each game will have **one umpire** and there will be a facility attendant onsite monitoring all fields. In the event that no umpire is available the game(s) will be rescheduled, teams can use the field if they choose. Umpires will be responsible for umpiring the game, keeping track of the game time and runs scored. Umpire will notify teams when there is 10 minutes left. If there is a discrepancy between the score book and umpires scorecard the score card is considered final.

Forfeit

Once the schedule is out it is considered final. If a team cannot make a game, it will be considered a forfeit and we will not reschedule the game. If a team knows that they cannot make the game in advance, we ask that they call the Recreation Supervisor at the FRRPD office on or before game day by 2pm.

Score Books/Line Ups

The home team is responsible for keeping the book. Each team is responsible for entering last name and first initial **clearly** in the score book, **once entered the line-up is final** and the rotation of the batting order cannot be changed. Late players may be added please see below rules, note player needs to be announced to the official before their at bat.

Coed: If a male/female player arrives late they need to share/rotate a spot in the lineup with another male/female.

Men's: If a player(s) arrives late they are to be added to the bottom of the line-up unless they already have 10 players in which case they would have to share/rotate a spot in the lineup.

Courtesy Catcher: If a team only has eight (8) players, the opposing team must supply a courtesy catcher. The courtesy catcher will only be used to return the ball to the pitcher.

Protests

All judgment calls will stand. Only rule interpretation calls may be protested. When a matter of protest arises during the game, the manager of the protesting team must immediately before the next pitch, notify the umpire and opposing team that the game is being played under protest. The protest must be noted in the official score book. This must be followed up by submitting a written report of the protest by 5:00pm the following business day, to the League Directors at the FRRPD office along with a \$ 5.00 protest fee. The fee will be refunded if the protest is upheld. **Protests of illegal players** must be made prior to the top of the third inning and the facility attendant will verify. If it is determined by the facility attendant that there are illegal players playing the game will be called a **forfeit**. The game can continue as long as the illegal player has left the field (and dugout), but it will still be a forfeit.

Game Time

A minimum of 8 players is required for it to be an official game.

Game time is as listed on the schedule. If there are not enough players to start the game at game time an additional 5 minutes will be allotted for players to arrive, however, the official game time does start as listed. If after the additional 5 minutes there are not enough players to field a team the game will be declared a forfeit.

Games will be 65 minutes or 7 innings, whichever comes first. No new inning may be started after 65 minutes. If the time limit is up in the middle of the inning, the inning will be completed.

In the event of a Tie: 1 inning only will be played with the international tie breaker rule. The last batter out will start at second base. After the additional inning if the game is still tied, it will be declared a tie.

In the **coed divisions** they must have an equal amount of men and women or they can play with more women than men. Teams must have at least one male player. However, if both managers agree to play with more men than women then the game can be played. At least four women have to play.

Players that do so will not only be out, but can be ejected from the game.
