Boys – Black T-shirt, black Jazz/exercise pants. Black slip-on, or lace up Oxford Tap shoes (Capezio brand has the best sound).

Class Etiquette

1. Arrive 5 minutes before class to get ready and use the restroom. We want to avoid having students use the restroom during class, unless it's an emergency.
2. If you come late, it is always polite and appreciated to say, "I'm sorry for being late."
3. If there is a class in session, please stay outside door as to not interrupt class.
4. Enter class fully prepared (appropriate dance attire and hair).
5. At the end of class, it is always polite and appreciated if you say, "Thank you" to the instructor.
6. Please take all candy wrappers, trash, and clothing with you when you leave.

*For busy moms, I recommend having a backpack for your child, just for dance attire, packed with a water bottle and a snack. Students may have a drink during our "Drink Break", so they can stay hydrated. Students should have their snack before or after class.
