**FEATHER RIVER RECREATION AND PARK DISTRICT FINALIZES AGREEMENT  
WITH THE CITY OF OROVILLE TO LEASE THE OROVILLE CONVENTION CENTER**

OROVILLE, CA – [August 7, 2024] – The Feather River Recreation and Park District (FRRPD) is excited to announce that an agreement has been reached with the City of Oroville, and the Oroville YMCA, for FRRPD to lease/occupy the Oroville Convention Center.

As part of this agreement, FRRPD will be relocating its operations to the Convention Center located at 1200 Meyers Street, Oroville. This agreement will transfer the lease and operating arrangement of the Convention Center to FRRPD, providing a central location for a diverse range of activities.

The Convention Center will serve as a hub, allowing for the continuation and expansion of indoor activities and recreational opportunities. FRRPD is committed to offering programming that caters to both youth and adults, ensuring that the community has access to quality recreational experiences year-round. Additionally, the YMCA will maintain its invaluable presence at the Convention Center, continuing to offer adult/senior fitness programming and youth camp opportunities.

“This is a great opportunity for the District and for the community,” said Brian Wilson, General Manager, FRRPD. “By transitioning services to the Convention Center, we will have the resources needed to enhance our indoor recreational services and collaborate closely with the YMCA and the City to meet the wants and needs of our residents.”

The Convention Center’s established presence in the community will play a crucial role in creating a variety of programs and events, ensuring all community members have access to valuable recreational activities. By combining resources and expertise, FRRPD and the YMCA aim to create a welcoming space that encourages participation in recreational activities and supports community well-being.

Further details regarding upcoming programs and events at the Convention Center will be released in the coming weeks.
